Balancing Family-Centered Services and Child Well-Being: Exploring Issues in Policy, Practice, Theory, and Research

Balancing Family-Centered Services and Child Well-Being: Exploring Issues in Policy, Practice, Theory, and Research

With contributions ranging from academic and professional theorists and policy developers to independent social workers, this book explores the development of family-centered services, the processes by which these services are implemented, the problems the field now faces, and prospects for the future. Multi-faceted examinations of the field show how family-centered services and child well-being can be linked on a daily basis to better the lives of both parents and children.
