ELEPHANT MOON John Sweeney

As the Second World War rages, the Japanese Imperial Army enters Burma and the British rulers prepare to flee. But the human legacy of the British Empire will be left behind in the shape of sixty-two Anglo-Burmese children, born to local women after affairs with foreign men. Half-castes, they are not acknowledged by either side and they are to be abandoned with no one to protect them. Their teacher, Grace Collins, a young Englishwoman, refuses to join the European evacuation and instead sets out to deliver the orphans to the safety of India. She faces impossible odds because between her and India lie one thousand miles of jungle, mountains, rivers and the constant, unseen threat of the Japanese. With Japanese soldiers chasing them down, the group's chances of survival shrink - until they come across a herd of fifty-three elephants who, with their awesome strength and kindness, quickly become the orphans only hope of survival. Based on a true story, Elephant Moon is an unforgettable epic tale of courage and compassion in the midst of brutality and destruction.
