The Devil's Garden: Love and War in Singapore under the Japanese flag Nigel Barley

In 1942 Japanese-occupied Singapore, where violence and starvation stalk the streets, a bizarre tranquility reigns between warring nations in the Singapore Botanic Gardens. This sensitive and humorous work of historical fiction explores a real, and complicated, chapter of Singapore's history in which British scientists avoided jail during WWII and worked with their Japanese counterparts in the pursuit of science, only to be accused of collaboration following the War.
