The Hidden Gospel of Matthew: Annotated & Explained (SkyLight Illuminations)

Ron Miller

The Hidden Gospel of Matthew: Annotated & Explained (SkyLight Illuminations) Ron Miller

The previously untold story of Matthew's Gospel—
brought to life for today's readers.

Matthew's Gospel stands as the first book of the Christian Testament, visible to all the world for almost two thousand years. But there is something hidden in Matthew's Gospel. The document was not written at one time by one person—it is an edited document, bringing together different sources of tradition.

The Hidden Gospel of Matthew: Annotated and Explained takes readers deep into the text to find the words and events that have the strongest connection to the historical Jesus. Ron Miller reveals the underlying story of Matthew to readers, giving them a full appreciation of the book's message, uncovering a portrait of Jesus that at times resembles the gnostic Christ and sage teacher of the Gospel of Thomas more than it does traditional Christianity.

Ron Miller is the chair of the Religion Department at Lake Forest College in Lake Forest, Illinois, where he has taught for thirty years, and co-founder of Common Ground, an adult education group for interfaith religious study and dialogue since 1975. Miller is the author of many books and articles, including *The Gospel of Thomas: A Guidebook for Spiritual Practice*, named one of *Spirituality & Health's* 50 Best Spiritual Books of the year; *The Hidden Gospel of Matthew: Annotated & Explained* and *Healing the Jewish-Christian Rift: Growing Beyond Our Wounded History* (all SkyLight Paths). His website is www.ronmillersworld.org.
