**Things Look Different in the Light & Other Stories (Pushkin Collection)** Medardo Fraile, Ali Smith  
Medardo Fraile, born in Madrid in 1925, is considered to be one of Spain's finest short-story writers. The collection *Cuentos de verdad* (on which this anthology is based), won him the 1965 Premio Nacional de la Crítica. While his stories have appeared in translation in other story collections, this is the first complete anthology of his work to appear in English

Like Anton Chekhov and Katherine Mansfield, Medardo Fraile is a chronicler of the minor tragedies and triumphs of ordinary life, and each short tale opens up an entire exquisite world.

Pushkin Collection editions feature a spare, elegant series style and superior, durable components. The Collection is typeset in Monotype Baskerville, litho-printed on Munken Premium White Paper and notch-bound by the independently owned printer TJ International in Padstow. The covers, with French flaps, are printed on Colorplan Pristine White Paper. Both paper and cover board are acid-free and Forest Stewardship Council (FSC) certified.
