**Vocal Wisdom: Maxims of Giovanni Battista Lamperti** Giovanni B. Lamperti

2010 Reprint of 1931 Edition. Giovanni Battista Lamperti (1839 -1910) was an Italian singing teacher and son of the singing teacher Francesco Lamperti. He is source for Vocal Wisdom: Maxims of Giovanni Battista Lamperti (1931). His preferred teaching arrangement was having three or four students present at each lesson: each would get their turn while the others observed and learned thereby. He was said to be a strict, exacting instructor not given to flattery, but who enthusiastically praised his students upon exceptional achievement. Many of Giovanni's students became international opera stars including Irene Abendroth, Marcella Sembrich, Ernestine Schumann-Heink, Paul Bulss, Roberto Stagno, David Bispham and Franz Nachbaur. The *Technics of Bel Canto* is the only book (other than the maxims recalled and published posthumously by his pupil William E. Brown) that Giovanni ever wrote on his method.
