Art of the Deal: Contemporary Art in a Global Financial Market

Noah Horowitz

Art of the Deal: Contemporary Art in a Global Financial Market Noah Horowitz

Art today is defined by its relationship to money as never before. Prices have been driven to unprecedented heights, conventional boundaries within the art world have collapsed, and artists think ever more strategically about how to advance their careers. Art is no longer simply made, but packaged, sold, and branded. In *Art of the Deal*, Noah Horowitz exposes the inner workings of the contemporary art market, explaining how this unique economy came to be, how it works, and where it's headed.

In a new postscript, Horowitz reflects on the evolution of the trade since the book's original release in 2011, shining light on the market's continued ascent as well as its most urgent challenges.
