Pattern Crazy is a series of coloring books based on a variety of patterns created from my hand-drawn art that has been digitally manipulated.

Pattern Crazy: Vintage Sketchbook is the first adult coloring book in this series. The patterns in this book are created from some vintage style sketchy pen illustrations that have come straight from the author's own sketchbook.

There are 60 patterned coloring pages to choose from. Each coloring page is single sided, so you can use blotting paper in between and don't have to worry about your drawing bleeding through to the next coloring page.

Don't forget to check out volume 2 in the Pattern Crazy Series, **Pattern Crazy: Mechanical Mayhem**
