Strange South Carolina

Sherman Carmichael

Strange South Carolina Sherman Carmichael

South Carolina is well known for beaches, barbecue and palmetto trees, but plenty of mystery lies behind the idyllic façade. Some residents once claimed to be tormented by a creature that was part lizard and part man. South of the Border is one of the more famous and unique tourist attractions in the state—complete with a giant sombrero. Lynches River is the only river in the nation that crosses under the same bridge three times. Peachtree Rock Heritage Preservation in Lexington County is home to one of the most unusual natural formations in the United States. Author Sherman Carmichael details these and more in a collection of stories that can be found only in the Palmetto State.
