A Single Shard Linda Sue Park

In this Newbery Medal-winning book set in 12th century Korea, Tree-ear, a 13-year-old orphan, lives under a bridge in Ch'ulp'o, a potters' village famed for delicate celadon ware. He has become fascinated with the potter's craft; he wants nothing more than to watch master potter Min at work, and he dreams of making a pot of his own someday. When Min takes Tree-ear on as his helper, Tree-ear is elated — until he finds obstacles in his path: the backbreaking labor of digging and hauling clay, Min's irascible temper, and his own ignorance. But Tree-ear is determined to prove himself — even if it means taking a long, solitary journey on foot to present Min's work in the hope of a royal commission . . . even if it means arriving at the royal court with nothing to show but a single celadon shard.

From reader reviews:

Michelle Johnson:

What do you with regards to book? It is not important with you? Or just adding material when you need something to explain what the one you have problem? How about your spare time? Or are you busy person? If you don't have spare time to do others business, it is gives you the sense of being bored faster. And you have spare time? What did you do? Every person has many questions above. They must answer that question due to the fact just their can do in which. It said that about reserve. Book is familiar in each person. Yes, it is appropriate. Because start from on guardería until university need this kind of A Single Shard to read.

Jack Harbin:

Information is provisions for folks to get better life, information presently can get by anyone with everywhere. The information can be a know-how or any news even an issue. What people must be consider when those information which is inside the former life are challenging be find than now could be taking seriously which one is suitable to believe or which one often the resource are convinced. If you have the unstable resource then you have it as your main information you will see huge disadvantage for you. All those possibilities will not happen throughout you if you take A Single Shard as the daily resource information.

Michael Jones:

This book untitled A Single Shard to be one of several books in which best seller in this year, that's because when you read this publication you can get a lot of benefit upon it.
