DELIVERANCE IS GOD'S IDEA.....AND HE IS RESTORING IT TO THE CHURCH.

Originally deliverance was a part of the fabric of every local church. But somewhere along the way the Church drew back from this vital ministry. The rise of humanism and secular self-help programs, and the insistence of any individual's ability to change themselves edged the Church away from God's Word and power, relegating deliverance to the superstitious and uninformed. Thankfully, God's Word does not change; His power does not diminish. In this book, Chris Hayward provides the tools necessary for the local church to establish an effective, proven deliverance ministry that liberates captive souls and advances God's plans in individual lives.
