Lost Powers: Reclaiming Our Inner Connection (Atlantis Rising Magazine Library®)

Have we lost our way? Lost our psychic “sense of smell”? The conventional notion of the human psyche is that it is a product of our mass culture, and we are conditioned to see and understand only the stimulus that is provided to it. However, there is a deeper process at work, something coming from our innate ability to discern greater truth. Tapping into this subconscious truth-detector is key in determining whether we buy into the premises of the many mainstream “truths” presented to us in popular culture and popular science.

In the quest to reestablish that universal connection, editor J. Douglas Kenyon has culled from the pages of *Atlantis Rising*® magazine this collection of 34 concise and well-illustrated articles by world-class philosophers and theoreticians who offer thought-provoking insights from the lost secrets of ancient and primordial wisdom.

Featuring:

- *Secrets of the Alchemists*, by Joseph Robert Jochmans
- *The Psi in CSI*, by Barbara Jason
- *Can We See into the Future?*, by Robert M. Schoch
- *Psychokinesis*, by Robert M. Schoch
- *The Superhero Factor*, by Len Kasten
- *Deathbed Visitations*, by Michael Tymn
- *War and Reincarnation*, by John Chambers
- *Time Travel Evidence*, by Joseph Robert Jochmans
- *The Case for Immortality*, by Patrick Marsolek
