Motherhood Mental Health P (Oxford Medical Publications)

Ian Brockington

Motherhood Mental Health P (Oxford Medical Publications) Ian Brockington

This volume aims to display the great variety of disorders which can occur during pregnancy and the post-partum period, which make childbearing the most complex psychological event in human experience. It provides a comprehensive summary of knowledge on the subject, set in a historical context, as a foundation for research. It sets out to show how distressed mothers can be helped in many ways and restored to mental health.
