If you're ready to end the dating phase of your life forever by finding your lifelong love, you're ready for: *SpeedDating*

With *SpeedDating*, a comprehensive dating guide, you'll speed through the dating phase of your life into a committed, lifelong relationship, avoiding go-nowhere entanglements and other dating pitfalls.

The dating-world myth that evaluating a relationship takes months and months -- or worse, years and years -- causes unnecessary emotional complications, heartache, and time spent in dead-end relationships. With this book in hand, you'll know before you invest your heart whether a relationship has a future. And when you fall in love, *SpeedDating* will help you determine if that love can last a lifetime. The SpeedDating process helps you find your lifelong love -- not a fleeting romance that leaves you back where you began -- single. SpeedDaters save the romance for the right relationship.

SpeedDating is best known for its fast, fun, 7-minute round-robin dating events, which have been featured in major media such as the *New York Times* and *People*. But the *SpeedDating* approach shared in this book takes you beyond the first date to help you reach your goal: marriage in the quickest possible time to a person you love who will cherish the real you forever.

Whether you're new to the dating scene, a veteran, or just returning, *SpeedDating* will put you on the fast track to a healthy, committed, lifelong relationship.
