Dialogue with the Devil M.D., Yves E. Patak

"Well, here is the situation: although I have been around for almost as long as your creator, even after two thousand years of Christendom people get me wrong, misinterpret, and demonize me on a global scale . . . but nobody ever understood me. Actually, nobody even tries to understand me. Nobody comprehends my real role on this planet. That's why I want to reach out to mankind through you. Together we shall write a new book!"

Dialogue with the Devil is a unique book. For many centuries, human beings have been fascinated by a so-called supernatural being called by many names: Satan, Lucifer, a fallen angel, and the Devil. Whether feared, worshipped, ignored, or discounted, there is no doubt that the devil has played a major role on the planet. But who is he? For the first time, he himself explains who he is, where he came from, and most important, what his "job" is on the earth and in the scheme of the universe.

Challenging, controversial, and always fascinating, this book will shake the foundations of many a belief system and change the way we look at the Devil forever.
