Essential Topics and Cases for Anesthesia Oral Boards is a comprehensive review for those physicians who have passed the written Board examination in Anesthesiology and are preparing for the oral part of the exam. The text covers all major cases and situations that are likely to be encountered in a complex anesthesia practice and is an invaluable resource, both for the examination itself and the clinical practice of Anesthesiology. Organized in a case presentation format, each section focuses on the complications and implications of anesthetic technique, surgical procedure and patient illness, with essential topics and clinical points clearly and precisely explained.
