High Infatuation

Steph Davis

High Infatuation Steph Davis

Throughout her life, Steph Davis has chosen to take risks, to trust her impulses, to make decisions based on what feels right inside--and never look back. Studying to be a concert pianist, she quit music the day she was introduced to rock climbing. Later, she abandoned the respectability of university life and pursuit of a law degree to become a "dirtbag climber," living out of her grandmother's hand-me-down Oldsmobile sedan with Fletcher, a heeler mix dog. Today, through courage and perseverance, Davis is a high-profile athlete sponsored by Mammut, Clif Bar, Five Ten and Cascade Designs.

In *High Infatuation*, Davis writes on the universal themes of life, love, friendship, personal empowerment, and more, told through a career in climbing. We wait with her in the tent through weeks of rain, wind, snow, and sleet, hoping for the weather to improve in the mountains of Patagonia, then race with her up a towering rock wall of Yosemite's El Capitan in a single day. More than adventure stories, these pieces reveal Davis' soul. They draw us into her struggles with safety, independence, ambition, and compassion. By following the journey of this remarkable woman, we learn what it means to live a truly adventurous life.

From reader reviews:

Lenore Ryan:

Book is to be different for each and every grade. Book for children until adult are different content. As you may know that book is very important for people. The book High Infatuation ended up being making you to know about other knowledge and of course you can take more information. It doesn't matter what advantages for you. The reserve High Infatuation is not only giving you far more new information but also to get your friend when you truly feel bored. You can spend your own spend time to read your guide. Try to make relationship together with the book High Infatuation. You never truly feel lose out for everything when you read some books.

Charlie Smith:

As people who live in often the modest era should be revise about what going on or details even knowledge to make these keep up with the era which is always change and move ahead. Some of you maybe will update themselves by reading through books. It is a good choice for yourself but the problems coming to you actually is you don't know which one you should start with. This High Infatuation is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and wish in this era.

Daniel Watkins:

Nowadays reading books become more than want or need but also turn into a life style. This reading practice give you lot of advantages. Associate programs you got of course the knowledge your information inside the book which improve your knowledge and information. The knowledge you get based on what kind of publication you read, if you want attract knowledge just go with training books but if you want sense happy read one together with theme for entertaining for example comic or novel. Often the High Infatuation is kind of book which is giving the reader capricious experience.

Alberto Turcotte:

Is it anyone who having spare time and then spend it whole day by watching television programs or just lying down on the bed? Do you need something totally new? This High Infatuation can be the solution, oh how comes? A fresh book you know. You are and so out of date, spending your spare time by reading in this completely new era is common not a nerd activity. So what these textbooks have than the others?
