Kelly Tyler-Lewis

The Lost Men: The Harrowing Saga of Shackleton's Ross Sea Party Kelly Tyler-Lewis
The untold story of the last odyssey of the heroic age of Antarctic exploration

Sir Ernest Shackleton's 1914 Antarctic endeavor is legend, but for sheer heroism and tragic nobility, nothing compares to the saga of the Ross Sea party. This crew of explorers landed on the opposite side of Antarctica from the *Endurance* with a mission to build supply depots for Shackleton's planned crossing of the continent. But their ship disappeared in a gale, leaving ten inexperienced, ill-equipped men to trek 1,356 miles in the harshest environment on earth. Drawing on the men's own journals and photographs, *The Lost Men* is a masterpiece of historical adventure, a book destined to be a classic in the vein of *Into Thin Air*.
