**The Midwifery Testbook** Helen Wightman, Robina Aslam

*"This will be a great revision tool ... Each type of question is used to enhance the development of the student by self assessment of their knowledge and understanding of the relevant anatomy and physiology and the application to practice ... I will strongly recommend this excellent text to all student midwives."*

Nan Morse, Professional Head of Midwifery Education, University of Glamorgan, UK

*"The Midwifery Textbook is a valuable and unique resource to midwifery ... It tests existing knowledge in complex situations whilst building upon earlier foundations ... The variety of question types available make learning and revision fun, whilst providing ideas for creative learning opportunities."*

Patricia Walker, Senior Lecturer in Midwifery and Child Health, Canterbury Christ Church University, UK

## Looking for a quick and effective way to revise and test your knowledge?

This handy reference book is the essential self test resource to help student midwives to revise and prepare for their anatomy, physiology and pathophysiology exams.
