True to His Word: The Story of Bible Study Fellowship (BSF) Gregg Lewis, Deborah Shaw Lewis

This gripping story history of Bible Study Fellowship (BSF) begins more like an ending when an unknown, single, middle-aged, British-woman Missionary, was forced to flee China when Communists moved in. Grieving the heart-breaking conclusion of what she'd believed was her life-long calling, Wetherell Johnson's journey home to England collided with a Divine appointment when five California women asked her to teach them more about the Bible.

She agreed and that Bible study with five women grew into an organization which exploded into a movement that now ministers to hundreds of thousands of students every week and has impacted the lives of millions of people in countries around the world including the Republic of China. Told through a big family photo album pasted together and held in place with a fascinating narrative thread, God's faithfulness through His plans, will touch your heart and renew your passion for His Word.
