At the Seashore: My Nature Sticker Activity Book Olivia Cosneau

At the Seashore is the next best thing to roaming the beach. What child doesn't love collecting shells and pieces of driftwood or observing animal life in tidal pools and shallow water? Beautifully illustrated by Olivia Cosneau, this book introduces children to the plant and animal life at the seashore through a range of interactive activities and stickers. Children are encouraged to color in jellyfish and anemones, to stick on the missing body of a crab, and to draw shells and reeds. In the process children learn about the rich life at the beach, including starfish, jellyfish, seagulls, shellfish, algae, and other animals and plants. A quiz at the end of the book tests their knowledge.
