## **Derecho De La Competencia Europeo Y Español. Curso (Spanish Edition) Unknown**

La descentralización del modelo español de Defensa de la Competencia ocupa un lugar preeminente en este volumen. Los artículos efectúan un examen crítico de la Ley 1/2002 de Coordinación de las Competencias entre el Estado y las Comunidades Autónomas en materia de Defensa de la Competencia y de sus "puntos de conexión". Uno de los artículos, además, valora la medida en que podrían ser de aplicación los puntos de conexión a pronunciamientos concretos del Tribunal de Defensa de la Competencia; otro expone los aspectos procesales derivados de la introducción de la citada ley; finalmente, otros dos realizan un estudio comparativo de la descentralización propuesta en España con la existente en el resto de Estados Miembros, especialmente en Alemania.
