Named by *House Beautiful* as one of "America's Most Brilliant Decorators" for ten consecutive years, Benjamin Noriega-Ortiz is recognized as one of the most stylish and influential of today's interior designers. His sensuous, glamorous, and ethereal work captures an unusual sense of openness and light through the use of color, materials, architecture, and the unexpected integration of fashion. Noriega-Ortiz has traveled the world to design spaces for such clients as rock superstar Lenny Kravitz, bestselling author Laura Esquivel, and celebrity photographer Mark Seliger. Now, with *Emotional Rooms*, he shares his process with anyone who may not have access to a high-end designer but wants a home or workspace that is at once beautiful and true to themselves.

Noriega-Ortiz brings together in this book not only photographs of his interiors but personal images that will inspire and evoke the designer within us all. With stunning full-color photographs and clear, concise essays, he guides readers through the essential principles of design -- color, architecture, furniture, and lighting -- and gives advice on how homeowners can prevent common mistakes. He shows them how to break the rules, ignore trends and labels, stop pleasing others, and decorate their homes to reflect their own true desires.

For those influenced by passing fads and fashions, Noriega-Ortiz's essential advice is: Emotion is always a better guide than intellect when it comes to creating a richly satisfying environment. Home truly is where the heart is, and this famous designer has what it takes to help readers put the heart back into their homes.
