The Games are already underway when Richard Aldana arrives in town. This mysterious stranger seems to have more in common with our world than the world where the Games are held. He smokes cigarettes and wears a leather jacket while everyone else in this medieval realm is casting spells and weaving tapestries. Nobody knows what to make of him, but when Aldana enrolls in the games he quickly becomes a top contender. Eschewing magic and using only his martial arts prowess, Aldana also befriends and protects a small boy for reasons as mysterious as his origins.

Who will win the games? Who is Richard Aldana, really? And what is the ultimate purpose of this gruelling gladiatorial contest?

With its intricate fantasy setting and heart-pounding action sequences, Last Man has become the smash hit comics series in France. Combining compelling character-driven storytelling with fast-paced adventure, Last Man is an addictive series with a cliffhanger at the end of each volume that leaves readers panting for more.
