Tierna es la noche (Spanish Edition) Ricardo Piglia

Una noche que define el fin de una historia de amor entre dos amantes, es la noche que el narrador de esta historia recuerda. Luciana, una atractiva mujer es descrita a través de secuencias, para contarnos cómo se dio esta relación y qué es lo que se recuerda cuando alguien ama a otro. Y hay un final que no se olvida y que el narrador no quiere olvidar. Tierna es la noche es una narración circular que nos adentra en la fragilidad del amor y de las personas. Este cuento forma parte de la colección Piglia Singles de Ebooks Patagonia.
