Beyond the Blue Leslie Gould

Two Worlds. Two Women. One Love.

In 1975, an American girl named Genevieve loses her mother when a plane full of orphans crashes in war-ravaged Vietnam. Miles away in the countryside, seven-year-old Lan, a Vietnamese girl, is forced out of her family home by her own brother who has joined the Viet Cong. Worlds apart, these two girls come into womanhood struggling to recover a sense of family—until their journeys suddenly converge.

Lan has grown up in the harsh realities of post-war Vietnam, but she yearns for a better life for her children. Meanwhile, Genevieve marries and, faced with infertility, decides to adopt a child from the country her own mother loved so deeply. But the uncertainty and risk of international adoption threatens to overwhelm both women before their hearts and their families can be healed.

Beyond the Blue is the story of enormous losses, unthinkable choices, and the transforming power of God's love for the children of the world.

From the Trade Paperback edition.

From reader reviews:

Sandra Murray:

What do you think about book? It is just for students because they are still students or it for all people in the world, the actual best subject for that? Simply you can be answered for that issue above. Every person has different personality and hobby for every other. Don't to be forced someone or something that they don't desire do that. You must know how great and also important the book Beyond the Blue. All type of book can you see on many sources. You can look for the internet resources or other social media.

Charles Lee:

Book is to be different for every single grade. Book for children till adult are different content. To be sure that book is very important usually. The book Beyond the Blue had been making you to know about other understanding and of course you can take more information. It is extremely advantages for you. The reserve Beyond the Blue is not only giving you a lot more new information but also to become your friend when you feel bored. You can spend your own personal spend time to read your e-book. Try to make relationship while using book Beyond the Blue. You never really feel lose out for everything in the event you read some books.

Shawn Calvin:

In this 21st hundred years, people become competitive in each way. By being competitive at this point, people have do something to make them survives, being in the middle of the crowded place and notice by simply surrounding. One thing that occasionally many people have underestimated the idea for a while is reading. Yep, by reading a guide your ability to survive improve then having chance to stand up than other is high. To suit your needs who want to start reading the book, we give you this particular Beyond the Blue book as basic and daily reading book. Why, because this book is usually more than just a book.

Henry Rodriguez:

It is possible to spend your free time you just read this book this e-book. This Beyond the Blue is simple to develop you can read it in the park, in the beach, train as well as soon. If you did not include much space to bring the printed book, you can buy the actual e-book. It is make you much easier to read it. You can save the book in your smart phone. Therefore there are a lot of benefits that you will get when one buys this book.
