Existential Utopia: New Perspectives on Utopian Thought

Michael Marder, Patricia Vieira

Existential Utopia: New Perspectives on Utopian Thought Michael Marder, Patricia Vieira

Radical political thought of the 20th century was dominated by utopia, but the failure of communism in Eastern Europe and its disavowal in China has brought on the need for a new model of utopian thought. This book thus seeks to redefine the concept of utopia and bring it to bear on today's politics.

The original essays, contributed by key thinkers such as Gianni Vattimo and Jean-Luc Nancy, highlight the connection between utopian theory and practice. The book reassesses the legacy of utopia and conceptualizes alternatives to the neo-liberal, technocratic regimes prevalent in today's world. It argues that only utopia in its existential sense, grounded in the lived time and space of politics, can distance itself from mainstream ideology and not be at the service of technocratic regimes, while paying attention to the material conditions of human life.

Existential Utopia offers a new and exciting interpretation of utopia in contemporary culture and a much-needed intervention into the philosophical and political discussion of utopian thinking that is both accessible to students and comprehensive.

From reader reviews:

Deloris Wagner:

What do you concerning book? It is not important together with you? Or just adding material when you want something to explain what the one you have problem? How about your free time? Or are you busy individual? If you don't have spare time to perform others business, it is make you feel bored faster. And you have free time? What did you do? All people has many questions above. They should answer that question since just their can do that will. It said that about e-book. Book is familiar on every person. Yes, it is correct. Because start from on guardería until university need this Existential Utopia: New Perspectives on Utopian Thought to read.

Pamela Jernigan:

As people who live in the actual modest era should be upgrade about what going on or facts even knowledge to make these keep up with the era which can be always change and make progress. Some of you maybe will update themselves by studying books. It is a good choice for you personally but the problems coming to anyone is you don't know which one you should start with. This Existential Utopia: New Perspectives on Utopian Thought is our recommendation so you keep up with the world. Why, since this book serves what you want and need in this era.

Wendy Kroll:

People live in this new day time of lifestyle always aim to and must have the time or they will get lot of stress from both day to day life and work. So , when we ask do people have spare time, we will say absolutely yes. People is human not just a robot. Then we inquire again, what kind of activity do you possess when the spare time coming to you of course your answer can unlimited right. Then do you ever try this one, reading books. It can be your alternative within spending your spare time, the particular book you have read is Existential Utopia: New Perspectives on Utopian Thought.

Santos Conrad:

Playing with family inside a park, coming to see the sea world or hanging out with pals is thing that usually you might have done when you have spare time, after that why you don't try point that really opposite from that. One activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love Existential Utopia: New Perspectives on Utopian Thought, you could enjoy both. It is great combination right, you still need to miss it? What kind of hang-out type is it? Oh occur its mind hangout people. What? Still don't obtain it, oh come on its called reading friends.
