Religión para Ateístas La Guía Definitiva & Manual Sobre La Religión Sin Dios (Spanish Edition) The Blokehead

El ateísmo se caracteriza por el rechazo o la falta de fé en la existencia de un Ser Supremo a quién comúnmente se hace referencia como Dios. A las personas que practican esta creencia se les hace referencia como ateístas. Hay una distinción, sin embargo, a esta creencia. Una forma de ateísmo es un simple caso de escepticismo. Hay incredulidad de que Dios realmente exista. Dicho de manera simple, es negativa o incapacidad de aceptar el concepto de que Dios vive hoy en día, y de que hay un Dios, como la mayoría de las personas cree. Esto se categoriza como "ateísmo débil". Por el contrario, "ateísmo fuerte" tiene una creencia clarísima de que Dios realmente no existe. Por lo tanto, cuando una persona proclama ser ateísta, él o ella podrían ser ateístas débiles o fuertes, dependiendo del grado o intensidad de la creencia en Dios en sus vidas.
