Catherine de' Medici "The Black Queen" (The Thinking Girl's Treasury of Dastardly Dames) Janie Havemeyer

Queen of France, Catherine de' Medici would do anything to keep her family in power, including using poison and black magic. A nation-wide killing spree during her rule earned her the name, The Black Queen. But was she really that bad?

Gorgeous illustrations and an intelligent, evocative story bring to life a real dastardly dame who fought to keep her children in power, but ended up blackening their names instead.
