Colombia. Mirando hacia dentro. Tomo 4 (1930-1960) (Spanish Edition) Varios Autores

Tomo IV de Colombia en la Colección América Latina en la Historia Contemporánea

El inicio del periodo de 1930-1960 está marcado por el fin de la "hegemonía conservadora" que da paso a quince años de gobiernos liberales. Las disensiones internas, sin embargo, hacen que pierdan la presidencia en 1946. Una etapa de lucha sectaria -la "violencia clásica"- desemboca primero en un corto gobierno militar y luego en el acuerdo entre los dos partidos para compartir el poder en el llamado Frente Nacional. La economía sufre los efectos de la crisis de 1930, aunque progresivamente se recupera con una acelerada industrialización. En 1949 Colombia recibe la primera misión del Banco Mundial. En el ámbito internacional, enfrenta la breve guerra con el Perú de 1932, se posiciona al lado de los aliados en la Segunda Guerra Mundial y entra en la era de la guerra fría. Aunque la población sigue siendo en su mayoría rural y prevalece la cultura tradicional, estas son décadas en las que comienza a romperse el aislamiento del país y avanza el proceso de urbanización.

La colección **América Latina en la Historia Contemporánea** es uno de los proyectos editoriales más importantes de las últimas décadas y una aportación original y novedosa a la historiografía sobre América Latina en la que han participado más de 400 historiadores de diversos países. Presenta una visión plural y accesible de la historia contemporánea de las naciones latinoamericanas -incluyendo aquellas otras, europeas o americanas, que más han aportado a su materialización- y revela las claves políticas, sociales, económicas y culturales que han determinado su trayectoria y el lugar en el mundo que hoy ocupan.

Premio de la revista *La Aventura de la Historia* a la mejor iniciativa editorial
