**Durango (Postcard History Series)** Frederic B. Wildfang, Nik Kendzioski

This collection presents a postcard tour of Durango and its environs and provides keen insight into the history and colorful character of this area, which has been a vibrant center of Southwestern Colorado for more than a century. A brief history of postcards as a convenient medium for sharing messages--and as a revolutionary departure from Victorian-era long letters--is included here as well. The Center of Southwest Studies at Fort Lewis College is pleased to present these evocative images gathered by the indefatigable Nina Heald Webber.
