Heart of a Dolphin Catherine Hapka

When Annie spots a dolphin trapped in fishing line in the cove near her house, she rushes to free him. Everyone cheers when she returns to shore, but only Annie knows that she and the dolphin have forged a special bond. He's become her friend -- and keeps returning to the cove to visit and play!

Meanwhile, out of the water, nothing is going right. Annie's best friend, Emma, has changed, and keeps ditching her to hang out with snobby Morgan. At home, Annie's busy parents barely seem to have time for her, and she's stuck with her hyper younger brother always tagging along. Then a misunderstanding with Morgan makes things even worse... and ultimately leaves Annie alone and in danger. Can her dolphin friend help her when she needs it most?

From reader reviews:

Pat Swartz:

What do you think of book? It is just for students because they're still students or that for all people in the world, what the best subject for that? Simply you can be answered for that concern above. Every person has several personality and hobby for each other. Don't to be forced someone or something that they don't desire do that. You must know how great along with important the book Heart of a Dolphin. All type of book are you able to see on many methods. You can look for the internet resources or other social media.

Hilary Rangel:

In this 21st millennium, people become competitive in every single way. By being competitive at this point, people have do something to make these people survives, being in the middle of typically the crowded place and notice by means of surrounding. One thing that often many people have underestimated the item for a while is reading. Sure, by reading a e-book your ability to survive increase then having chance to stand up than other is high. For you personally who want to start reading some sort of book, we give you this specific Heart of a Dolphin book as starter and daily reading reserve. Why, because this book is greater than just a book.

Justin Davis:

A lot of people always spent their very own free time to vacation or perhaps go to the outside with them household or their friend. Do you realize? Many a lot of people spent they will free time just watching TV, as well as playing video games all day long. If you wish to try to find a new activity that's look different you can read a new book. It is really fun to suit your needs. If you enjoy the book which you read you can spent 24 hours a day to reading a guide. The book Heart of a Dolphin it is extremely good to read. There are a lot of people who recommended this book. These were enjoying reading this book. When you did not have enough space bringing this book you can buy the e-book. You can m0ore easily to read this book from a smart phone. The price is not very costly but this book provides high quality.

Joseph Dolezal:

You can spend your free time to study this book this e-book. This Heart of a Dolphin is simple to create you can read it in the area, in the beach, train and soon. If you did not possess much space to bring the particular printed book, you can buy the e-book. It is make you better to read it. You can save the book in your smart phone. And so there are a lot of benefits that you will get when one buys this book.
