## **História, Região & Globalização (Portuguese Edition)** Afonso Alencastro Graça de Filho

Neste livro, Afonso de Alencastro Graça Filho se dedica à discussão sobre região e história regional por meio de múltiplas proposições historiográficas, contemplando a rica relação entre geografia e história. Partindo do entendimento de que o espaço é construído pelas preocupações que orientam o trabalho do historiador e que nenhuma delimitação se impõe, a princípio, de forma natural, o autor mostra que a coerência do recorte espacial precisa estar em sintonia com o objeto da pesquisa. Para isso, apresenta, nesta publicação, as propostas teóricas e metodológicas da micro-história e da história regional.

Trazendo a discussão para a contemporaneidade, o livro aborda as características tensões regionais e da globalização, evidenciando a relação conflituosa entre a assimilação cultural e o respeito à alteridade.

Multidisciplinar, este debate que se constrói é um convite à apreciação de uma abordagem eclética das dimensões regionais na história e na atualidade.
