Storm: A Motorcycle Journey of Love, Endurance, and Transformation (Travelers' Tales Footsteps)

Allen Noren

Begun as a grand adventure, Storm tells the story of a trip that quickly became a tumultuous test of endurance. When the Baltic States of the former Soviet Union opened up, Allen and his girlfriend Suzanne were drawn to the prospect of traveling together once again. Setting out on a motorcycle, the two seasoned travelers rode through Germany, Denmark, and Sweden to the Arctic Circle, then on to Finland, Russia, Estonia, Latvia, Lithuania, and Poland. Though they'd been together for seven years, and thought they knew what to expect from an extended road trip, they couldn't foresee the unrelenting natural elements, shifts in once-shared dreams, or fissures in their relationship that lay ahead. Often darkly humorous, Storm reveals a couple's love and the fragility of human connections as it recounts the journey that became a test of both riders' physical and emotional endurance.
