The Bride of Willow Creek Maggie Osborne

Ten years ago Angie Bartoli eloped with Sam Holland. But before their impetuous marriage even began, they were torn apart by chance. For Angie, the gold band on her finger is a constant reminder of the man she could never forget. Aiming to find her husband and resolve their relationship once and for all, Angie sets out on the adventure of a lifetime.

In a small Colorado town, Angie discovers that her young groom has grown into a man--still handsome, irresistible, and infuriating as ever . . . and now the father of two young children. Forced to become a temporary family, Sam and Angie are surprised to find a deeper love awakening between them--one that could require more than they are willing to give if they are to forge a lasting new life on the American frontier.
