## **Tragic is Magic** Elexus P Hunter

As the oldest of three children, Elexus Hunter had to take on adult responsibilities while being subjected to the streets and unrelenting abuse from both family and friends. However, what could have easily been a tragedy became a magical tincture of sorts to propel Elexus to a more promising place, beyond her horrific childhood. She found a respite, or her purpose, where both her story could help and heal others. As such, her tragic became magic. Throughout this memoir, readers should view Elexus' world through a lens of hope rather than despair. She shares her deepest secrets and agony to allow youth in similar conditions to understand that people who hurt people are doing so because they are themselves wounded, not because victims deserve it. Victims of any type of abuse should then understand that their journey was no accident. They should accept what God has allowed them to overcome as somewhat of a catapult rather than a crutch. Ultimately, they are not tarnished or tragic; their testimonies are, in fact, meaningful and magical.

We can say that no reserve that offer you world with ten or fifteen tiny right but this publication already do that. So , this can be good reading book. Hi Mr. and Mrs. occupied do you still doubt which?

#### **Mario Curtin:**

As a college student exactly feel bored in order to reading. If their teacher inquired them to go to the library in order to make summary for some publication, they are complained. Just minor students that has reading's heart and soul or real their leisure activity. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that examining is not important, boring as well as can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Tragic is Magic can make you truly feel more interested to read.
