## **Wonders of the Reef** Stephe Frink

Drawing on his extensive experience as a leading practitioner and teacher of underwater photography, Stephen Frink combines photographs taken in different parts of the world, and practical advice. He describes the various kinds of camera housings, lenses, lighting equipment and filters that can be used under water, and demonstrates the effects than can be achieved. He also discusses the sites around the world which are most suitable for photography, from the Florida Keys to the Great Barrier Reef, and provides a list of equipment manufacturers.
