73 Signs of a false prophet and how to avoid them

The Church of Jesus Christ faces a crisis. False prophets have invaded the Church and captivated the minds of unprepared people. Their messages sound authentic but lack Biblical authority. This book provides a scriptural description of these frauds and the response of Christ-followers to them.

These studies:

? describe the conditions in the Church that cultivated this crisis.

? draw a picture of the characteristics of false prophets.

? delineate canons of Scripture that are at stake.

? declare the course of action that Christ-followers may take to stem the decline of the Church and to set their sails to catch the winds of revival.
