A Mirror Garden

Monir Farmanfarmaian, Zara Houshmand

A Mirror Garden Monir Farmanfarmaian, Zara Houshmand

In Persia in 1924, when a child still had to worry about hostile camels in the bazaar and a nanny might spin stories at her pillow until her eyes fell shut, the extraordinary and irresistible Monir Shahroudy Farmanfarmaian was born. From the enchanted basement storeroom where she played as a girl to the penthouse high above New York City where she would someday live, this is the delightful and inspiring story of her life as an artist, a wife and mother, a collector, and an Iranian. Here we see a mischievous girl become a spirited woman who defies tradition. Both a love story and a celebration of the warmth and elegance of Iranian culture, *A Mirror Garden* is a genuine fairy tale of an exuberant heroine who has never needed rescuing.

From the Trade Paperback edition.

From reader reviews:

James Brecht:

What do you with regards to book? It is not important along? Or just adding material if you want something to explain what your own problem? How about your free time? Or are you busy man or woman? If you don't have spare time to try and do others business, it is gives you the sense of being bored faster. And you have free time? What did you do? Everybody has many questions above. They have to answer that question due to the fact just their can do that will. It said that about publication. Book is familiar on every person. Yes, it is suitable. Because start from on kindergarten until university need that A Mirror Garden to read.

Doreen Wolf:

The actual book A Mirror Garden will bring one to the new experience of reading some sort of book. The author style to spell out the idea is very unique. When you try to find new book to study, this book very suitable to you. The book A Mirror Garden is much recommended to you to study. You can also get the e-book through the official web site, so you can quicker to read the book.

Vicki Head:

Many people spending their time by playing outside along with friends, fun activity using family or just watching TV all day every day. You can have new activity to shell out your whole day by studying a book. Ugh, do you think reading a book can really hard because you have to bring the book everywhere? It okay you can have the e-book, getting everywhere you want in your Touch screen phone. Like A Mirror Garden which is getting the e-book version. So , why not try out this book? Let's see.

Dawn Fernandez:

Do you like reading a reserve? Confuse to looking for your selected book? Or your book has been rare? Why so many question for the book? But almost any people feel that they enjoy for reading. Some people likes studying, not only science book but novel and A Mirror Garden or maybe others sources were given understanding for you. After you know how the truly great a book, you feel wish to read more and more. Science guide was created for teacher or students especially. Those publications are helping them to include their knowledge. In some other case, beside science e-book, any other book likes A Mirror Garden to make your spare time much more colorful. Many types of book like this one.
