A premier lion shifter, Hugh Landry dedicates his life to leading the Berk pride with strength and confidence. Hundreds of people depend on Hugh for safety, success, and happiness. And at over a century old, with more power than can be contained in one body, Hugh relies on a Siphon lion shifter to carry his excess force.

When the Siphon endangers himself and therefore the pride, Hugh must pay attention to the man who has been his silent shadow for a decade. What he learns surprises him, but what he feels astounds him even more.

Two lions, each born to serve, rely on one another to survive. After years by each other's side, they'll finally realize the depth of their potential, the joy in their passion, and a connection their kind has never known.
