Model Men: Gay Erotic Stories Neil Plakcy (editor)

Who hasn't experienced a pang of lust or longing at a photo of a male model? Whether a hundred times life size on a billboard or romping through the pages of a glossy magazine in his Calvins, Tommys, or Ralphys, the male model is the gold standard for masculine beauty. The characters in these stories run the gamut, from the billboard-gracing Aiden in Cynthia Hamilton's "Big Picture", to life models in drawing classes, to runway models, to ordinary guys immortalized in a catalog shoot in T. Hitman's "When Gary Met Larry". They hook up with artists, photographers, roommates, and lovers, in locations from New York to Miami to a beach in Australia, and many places in between.

One thing all the male models here have in common is sex appeal and a yen for man-on-man action. These aren't the kind of guys who say, "look but don't touch" - they want to be touched, and in all the right places!

The authors here, some of the best writing in gay erotica today, have taken hold of the idea of the male model and run with it. Here's hoping you enjoy reading these as much as Neil Plakcy enjoyed working with the authors and assembling this collection.

Teen twinks, fresh-faced 20-somethings, and the ravishing runway rogues in *Model Men* make for a tribute to the glory of gorgeous gay men. These erotic stories explore the undeniable attraction to classic good looks, charisma, and glamour. Neil Plakcy has gathered sensational stories of sizzling porn bodies, sexy boys next door, tantalizing tricks, and sublime Mr. Right Nows. Intertwining favorite fantasies and gay lust, this collection is guaranteed to sing a siren song to those embodiments of perfection who walk among us. More than just pretty faces and heavenly bodies, the men in this volume give as good as they get.
