" Psychic Faylene Driscoll has worked for the police department for a long time, but never in all those years has she seen the level of depravity she witnessed after interrogating a Keeper of the Race. This insane cult is out to destroy any non-human—and anyone who'd defend them.

Werewolf Thaddeus Ma'wrl knows all about the Keepers. They killed his entire pack, leaving him a lone wolf out for revenge. Although he'd sworn never to trust another human woman again, he must protect Faylene so she can help put the Keepers behind bars. What he didn't expect was that she'd touch a part of him he'd thought long dead and buried.

As Thad and Faylene run from danger, an irresistible attraction curls between them. Faylene longs to heal the emotional scars Thad carries with him, but she can't help him if he doesn't want her to, and she has her own scars she's hiding. With the Keepers gunning for them, falling in love is the last thing that should be on their minds. Too bad passion makes its own rules and doesn't care about good timing."
