The Lost

Sarah Beth Durst

The Lost Sarah Beth Durst

Brilliantly riveting. * Thought-provoking and stirring. **

Award-winning author Sarah Beth Durst has been praised for her captivating novels that merge the darkly imagined with very real themes of self-discovery and destiny. In *The Lost*, we'll discover just what it means to lose one's way....

It was only meant to be a brief detour. But then Lauren finds herself trapped in a town called Lost on the edge of a desert, filled with things abandoned, broken and thrown away. And when she tries to escape, impassible dust storms and something unexplainable lead her back to Lost again and again. The residents she meets there tell her she's going to have to figure out just what she's missing—and what she's running from—before she can leave. So now Lauren's on a new search for a purpose and a destiny. And maybe, just maybe, she'll be found....

Against the backdrop of this desolate and mystical town, Sarah Beth Durst writes an arresting, fantastical novel of one woman's impossible journey...and her quest to find her fate.

From reader reviews:

Katy Pinkham:

Nowadays reading books become more and more than want or need but also become a life style. This reading behavior give you lot of advantages. Advantages you got of course the knowledge the actual information inside the book in which improve your knowledge and information. The info you get based on what kind of guide you read, if you want attract knowledge just go with knowledge books but if you want experience happy read one with theme for entertaining for instance comic or novel. The The Lost is kind of book which is giving the reader unstable experience.

Christopher McCrady:

People live in this new time of lifestyle always attempt to and must have the free time or they will get lot of stress from both daily life and work. So , when we ask do people have spare time, we will say absolutely without a doubt. People is human not just a robot. Then we question again, what kind of activity are you experiencing when the spare time coming to a person of course your answer will unlimited right. Then do you try this one, reading books. It can be your alternative in spending your spare time, the actual book you have read will be The Lost.

Mary McClellan:

Your reading 6th sense will not betray you, why because this The Lost e-book written by well-known writer we are excited for well how to make book which can be understand by anyone who read the book. Written within good manner for you, leaking every ideas and writing skill only for eliminate your hunger then you still skepticism The Lost as good book not just by the cover but also from the content. This is one guide that can break don't assess book by its include, so do you still needing an additional sixth sense to pick this specific!?! Oh come on your reading sixth sense already alerted you so why you have to listening to one more sixth sense.

Clyde Okane:

As we know that book is important thing to add our knowledge for everything. By a book we can know everything you want. A book is a pair of written, printed, illustrated or even blank sheet. Every year has been exactly added. This book The Lost was filled concerning science. Spend your free time to add your knowledge about your scientific disciplines competence. Some people has different feel when they reading the book. If you know how big good thing about a book, you can experience enjoy to read a reserve. In the modern era like right now, many ways to get book that you just wanted.
