Love's Secret Fire Rena Koontz

The biggest story of reporter Valerie Daniels's career could be the one that kills her. A part-time news reporter, Valerie is determined to prove her twin brother is not responsible for the rash of suspicious fires in Benton Falls, despite all the evidence that leads undercover investigator Adam Michaels to believe he's caught his arsonist - Valerie's brother.

Adam Michaels relies on the facts when he is working a case but on this one, his instincts, and his heart, tell him there is more behind this story. And there's a lot more he wants to know about Valerie Daniels, a woman who makes no bones about the fact she doesn't like him - or what he's doing to her brother.

Arson turns to murder and sparks fly between Adam and Valerie. But the real arsonist has his own ideas about the heat between these two. To defeat the killer and his deadly trap, they must learn to trust each other.

This is a new release of a previously published edition.
