Full Kingdom potential, says George Bullard, is a journey, not a destination. To reach your full Kingdom potential, its pursuit must be your enduring passion and desire. Drawing on his more than four decades of experience in congregational leadership, Bullard offers not just another process for congregational redevelopment. He learns from the past to take congregations on a spiritual journey that is open-ended, custom-made, and locally owned. His focus is on capacity building in each congregation, calling for a narrative approach to futuring in the life of congregations that responds to new things God is seeking to do in and through members of the congregation.
