The Falling Nun: And Other Stories Pamela Rafael Berkman

In this collection of twelve dazzling and sensual stories, Pamela Rafael Berkman explores the perplexities of contemporary life through the eyes of women searching for love, truth, and faith. In the title story, a group of coworkers who order miniature plastic nuns rumored to bring love suffer surprising and disheartening consequences. In "Tat," the heroine gets an elaborate Victorian valentine tattooed on her arm and learns the real meaning of wearing her heart on her sleeve. And in "Merry Christmas, Charlie Brown," the classic holiday program brings temporary peace to a troubled young woman. Throughout, miracles and revelations abound, appearing in the most unexpected places -- a planetarium on a college campus, a yuppie Christmas party, a silversmith's booth at an outdoor fair, a corner bar on Halloween. In capturing the dilemmas and difficulties of our times, Berkman brings to life the eternal longings of the human heart.
