A Queer Reader

A Queer Reader

A Queer Reader is a rich and provocative collection of writings about male homosexuality—a gay version of *Bartlett's Quotations*, with authors ranging from Plato to Andy Warhol. Arranging entries chronologically and drawing on sources from the *Satyricon* to *Gay News*, from Michelangelo's sonnets to a speech in the House of Lords, from sexually explicit graffiti found in Pompeii to a *Playboy* interview with David Bowie, Patrick Higgins uses novels, biographies, autobiographies, histories, and ephemera to present gay history as never before.
