## Chinese Women and the Cyberspace (ICAS Publications Edited Volumes)

This volume examines how Chinese women negotiate the Internet as a research tool and a strategy for the acquisition of information, as well as for social networking purposes. Offering insight into the complicated creation of a female Chinese cybercommunity, *Chinese Women and the Cyberspace* discusses the impact of increasingly available Internet technology on the life and lifestyle of Chinese women—examining larger issues of how women become both masters of their electronic domain and the objects of exploitation in a faceless online world.
