Crossing the Bridge (The Hearts of Men Book 5) Lou Aronica

The emotionally charged novel of an impossible love triangle and coming home.

Hugh Penders has been stuck in neutral for nearly a decade since his brother Chase died in a car accident. He carries with him two secrets that he has never been able to share with anyone: that he believes he might have been able to prevent the accident, and that he was deeply in love with Chase's girlfriend, Iris.

When Hugh's father suffers a debilitating heart attack, Hugh must return to the New England home he's been running away from for the past ten years. One day, he encounters Iris – who has long since moved away – on the street. They begin a friendship and Hugh believes he's falling in love with Iris all over again.

But the ghost of Chase haunts both of them. And when each reveals a truth the other never knew, their lives, their vision of Chase, and their chances for a future together will change forever.

Charged by the power of desire and the impact of loss, **CROSSING THE BRIDGE** is a soulful, romantic novel that will speak to you deeply.
