África à vista: dez estudos sobre o português escrito por africanos no Brasil do século XIX (Portuguese Edition) Tânia Lobo, Klebson Oliveira

A formação histórica do português brasileiro deu-se em complexo contexto de contato entre línguas. Dentre as diversas situações de contato havidas, a do português com línguas africanas assume maior relevância por ter sido generalizada no tempo e no espaço. Africanos e afro-descendentes, no período que se estende do século XVII ao século XIX, correspondem juntos a cerca de 60% da população brasileira (cf. MUSSA, 1991). Contudo, a escrita da história lingüística deste que é o mais expressivo segmento formador da população brasileira era tarefa que se colocava no plano de uma reconstrução quase que exclusivamente a partir de 'indícios', uma tarefa não para historiadores, mas para arqueólogos da língua portuguesa (cf. MATTOS E SILVA, 2002) (trecho retirado da Introdução do livro).

Right now, choose your personal ways to get more information about your publication. It is most important to arrange you to ultimately make your knowledge are still change. Let's try to choose proper ways for you.

George Clark:

As a college student exactly feel bored for you to reading. If their teacher asked them to go to the library or even make summary for some guide, they are complained. Just minor students that has reading's spirit or real their pastime. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that reading is not important, boring along with can't see colorful images on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach

Chinese's country. So , this *África à vista: dez estudos sobre o português escrito por africanos no Brasil do século XIX* (Portuguese Edition) can make you really feel more interested to read.
